# Our Values

### WALK

We desire to be a church that is full of people who have a living, breathing, walking, talking, growing relationship with Jesus Christ.

#### **WORSHIP**

We desire to be a church that is full of individuals who wholly worship God – any time, any place, any circumstance. When these individuals gather together, we desire to be the kind of church that totally expresses growing love, praise, and adoration for Jesus."

#### LOVE

We desire to be a church that radically loves one another.

#### LIVE

We desire to be a church that exists for the benefit of our non-members. Instead of being a church that purveys religious goods and services to a selfish 'Christian' culture that says, 'serve me, feed me, take care of my needs," we will be a church that understands that Jesus creates life, salvation, and transformation in us. We will therefore invite others to journey with us.

#### ANNOUNCEMENTS

# LEADERSHIP REVIEW CONVERSATIONS

These conversations will focus around 4 questions:

What is going well? What needs to be improved? What are you able or hopeful to contribute?
